Children's Logic: "Give me a sentence about a public servant," said a teacher. The small boy wrote: "The fireman came down the ladder pregnant." The teacher took the lad aside to correct him. "Don't you know what pregnant means?" she asked. "Sure," said the young boy confidently. "It means carrying a child."

Riddle time:

MAT'S MESSAGE

Last Leaf pickup will be on November 17th.

I ask that all Members to only flush what comes out of our bodies into the system. Wipes whether baby, facial, disinfecting or other SHOULD NOT BE FLUSHED. They are not bio degradable as stated, and cause havoc on the system and pumps.

Members who have had a hydro upgrade done to their sites, to please hand in a copy of the final ESA inspection sheets to the office. We need these to sign off on your permit. There is NO exceptions to this. It is up to your electrician to have this done. Those failing to comply, the park will bring ESA in to the Member's sites, and they will issue fines as they see fit.
